Note - 24 players qualify for the final at Kingsbarns. Players qualify in the following order - The top 8 players from the overall scratch category, then the top 8 players from the overall handicap category, then the top 4 players from the 14 and under scratch category and then the top 4 players from the 14 and under handicap category. Once a player qualifies in one category their name is removed from the other categories before the qualifiers from the next category are identified. In the event of a tie on points, the player who reaches their final points total earliest in the season will qualify. If the points totals were reached on the same date then the player to win the most points in that category on the date of their last event will qualify.
